## List of Limerick Area Post-Primary Schools

**It is MOST IMPORTANT for parents to indicate on this form 11 schools to which they are applying in genuine, descending order of choice.**

**Forms will be returned if 11 choices are not identified.**

Parents/Guardians should review the admissions policies for each of the chosen schools on the list. Only those schools identified in order of choice will be empowered to consider your application. If your child is unsuccessful in obtaining the first choice, their application form will be considered in order of the descending preferences outlined below.

Please note that the responsibility for making an application rests with the parent/guardian. Only one active application will be accepted for each student. If duplicate applications are received, Parents/Guardians will be contacted to confirm which application should be accepted.

Until this confirmation is received, neither application is deemed valid.

**Please return the completed Application Form to the Principal at the Number 1 School of your choice by 12.30p.m. on Monday, 16 January 2023. Please enclose an A4 sized stamped self-addressed envelope.**
