

## **Addendum to School's Admission Policy & Admissions Notice 2025/2026**

There are 17 post-primary schools participating in the Limerick Area post-primary schools' Common Application System (CAS). This system is supported by participating post-primary schools, the Limerick Principals and Deputy Principals Association (LPDPA), feeder primary schools, the Department of Education and by Limerick Education Support Centre which provides the Common Application System with administrative support.

On January 9<sup>th</sup> 2025, a meeting of Principals and Deputy Principals was convened virtually through Limerick Education Support Centre. At this meeting the closing date for receipt of applications was discussed in light of the adverse weather conditions and resultant school closures.
